September 18, 2018	**CoC Application due in eSNAPS**

Project Applications

Projects requesting funding through this process will begin working on renewal and new project applications immediately after submission of Renewal Intent of Intent to Apply forms. Because STEH is a Unified Funding Agency, they will create applications in eSNAPS and work with each agency to complete the applications. STEH will submit project applications in eSNAPS after all accepted, reduced, and rejected projects have been notified.
