*Excel's PSH - CH (30/50) and SPC (501/669) projects were individual projects at the time of the HIC, but are now consolidated.

**Talbert House's PSH 1 & PSH 2 projects are a combination of SPC, 2009, and 2007 clients, and therefore have been assigned the same PIT. utilization

Projects that do not have to submit CoC Scorecards, but will be required to present on 8/24.
